ACUHO-I-SAC:

20 Years of Impact in Student Housing

- Founded in 2006, ACUHO-I-SAC has grown into a leading voice for student housing professionals across Southern Africa.
- Over two decades, it has:
 - Connected institutions across the region to global best practices.
 - Advanced professional development through conferences, workshops, and study tours.
 - Promoted inclusive housing policies and sustainability (e.g., Green Campuses Initiative).
 - Elevated leadership through platforms like Women in Housing and Senior Housing Officers forums.
- The 20th anniversary marks a legacy of excellence and a renewed commitment to innovation, equity, and student success.
